

GRAFFITI 2 WEEK OF GIVING

April 30th - May 4th, 2018

All things are made up of elemental parts, without any one of which, the whole would not be complete. A latte is coffee and milk; a flower's stem, petals, and roots; a person is body, mind, and soul. From the infinitely large to the infinitesimally small, this principle rings true across God's creation.

At Graffiti 2, we've been thinking about our essential elements.

THE FIRST ELEMENT, OUR PROGRAMS.

Our programs are guided by our mission to Revitalize, Revive, and Revolutionize the Mott Haven neighborhood of the South Bronx and beyond.

- G2 Kids
- GSALT
- G2 Interns
- G2 Works
- Community Events

THE SECOND ELEMENT, OUR PEOPLE.

Our vision for our people is that they become revolutionized revolutionaries—people changed by the power of Jesus that can affect that change in others. We know that programs don't change people, people change people.

THE FINAL ELEMENT, OUR PARTNERS.

Graffiti 2 would not exist without our partners—individuals and churches that support our work through monthly commitments and one-time support.
